Yard Work and Handy Man Services Needed to Assist Older Adults

(Ithaca, NY – May 28, 2024) – The Tompkins County Office for the Aging maintains a list of individuals who would be willing to do yard work and/or Handy Man services for older adults. Summer is rapidly approaching and services such as lawn mowing, gardening, and general yard work is very much needed. Many older adults are unable to maintain their yards or may have small tasks that need to be completed around the house. The Office is currently updating its list and we need more workers. Specifically, we need individuals who are willing to work in places outside the City of Ithaca and in rural areas. If you are interested in assisting older adults with general yard work or handy man services, on either a paid or volunteer basis, please call the Tompkins County Office for the Aging at 274-5482 to be added to our listing.
